

INDEX TO VOLUME 55

AUTHORS INDEX*

A

- ABEL, STUART, FARMER, CHESTER J., AND DOUCETTE, JEANNE, Observations on vaginal absorption of penicillin, 461
- ADAMSON, D. L. (WITH WEAVER, R. T., AND JOHNSON, F. L.), Ovarian pregnancy, 437
- ANDROS, G. J., DIECKMANN, WILLIAM J., OUDA, P., PRIDDLE, H. D., SMITTER, R. C., AND BRYAN, W. M., JR., Spinal (saddle block) anesthesia in obstetrics, 806
- ARAGON, GLORIA T., An evaluation of plasma pitocinase determination in the toxemias of pregnancy, 961
- ARNESON, A. N., STANBRO, WILLIAM W., AND NOLAN, JAMES F., The use of multiple sources of radium within the uterus in the treatment of endometrial cancer, 64
- ASHTON, DOROTHY L., Carcinoma of the cervix complicating precidentia uteri, 299

B

- BAER, JOSEPH L., Current teaching trends in obstetrics, 348
- BARNES, ALLAN C., AND DOAN, CHARLES A., Splenectomy in pregnancy: its hematologic indications and obstetric management, 864
- BENNETT, T. R. (WITH DIDDLE, A. W.), Carcinoma of the cervix in an urban population, 669
- BENSON, RALPH C., The arrest of abnormal uterine bleeding with pitressin tannate in oil, 286
- BICKERS, WILLIAM. Hysterosalpingography, 549 (Cor.)
- BISKIND, MORTON S., Nutritional deficiency and menstrual disturbances, 360 (Cor.)
- BOEDEKER, ROY V. (WITH VOGT, WILLIAM H., JR., AND LOPFZ, GUILLERMO), Uterine suspension, 1044
- BOURNE, WESLEY, Wise indifference of the wise in anesthesia, 711
- BRACKETT, EDWARD S., Retroversion of the uterus, 184 (Cor.)
- BREWER, JOHN I., AND JONES, HAROLD O., Studies of the human corpus luteum, 18
- BRODY, SIMON, Management of placenta previa, 359 (Cor.)
- BROWN, WILLIS E., Single injection caudal for obstetrical analgesia and the use of Pontocaine, 717
- BRYAN, W. M., JR. (WITH ANDROS, G. J., DIECKMANN, WILLIAM J., OUDA, P., PRIDDLE, H. D., AND SMITTER, R. C.), Spinal (saddle block) anesthesia in obstetrics, 806
- BUSBY, TRENT, The duration of labor: mean, median, and mode, 846
- BUSHNELL, LOWELL F., Endometriosis and estrogen therapy, 915 (Cor.)

C

- CALDWELL, J. D. (WITH PUND, EDGAR R., NETTLES, J. B., AND NIEBURGS, H. E.), Preinvasive and invasive carcinoma of cervix uteri, 831

- CAMPBELL, A. D., Our heritage and our stewardship (presidential address, American Association of Obstetricians, Gynecologists, and Abdominal Surgeons, fifty-eighth annual meeting), 551

- diagnosis of, arterial visualization in, possible significance of (Hartnett), 940
- management of (Brody), 359 (Cor.)
- Placental toxin, active principle of (Schneider), 1081 (Abst.)
- Plasma pitocinase determination in toxemias of pregnancy, evaluation of (Aragon), 961
- proteins in pregnancy (MacArthur), 382
- Poliomyelitis in pregnancy (Gifford and Hullinghorst), 1030
- Polycystic ovaries in fetus (Bianchi), 1077 (Abst.)
- Pontocaine, single injection caudal for obstetrical analgesia and the use of (Brown), 717
- Postpartum blood, clotting mechanism and relationship to peripheral blood picture (Barnes), 908 (Abst.)
- hemorrhage, immediate, due to retained secundines (Carroll et al), 620
- intrauterine pack in management of (Day et al), 231
- prolonged labor and (Odell et al), 729 (Abst.)
- intraabdominal separation of uterus (Wasenaar), 908 (Abst.)
- morbidity, penicillin vaginal suppositories and prevention of (Pierce), 313
- Posture, influences of, on urinary tract in pregnancy (Parks and Puzak), 636
- Pregnancies, extrauterine, living viable babies in, fate of (Suter and Wichser), 489
- normal and abnormal, sodium in, permeability of human placenta to, and supply of, to human fetus as determined with radioactive sodium (Flexner et al), 469
- Pregnancy, 547, 728, 1079 (Absts.)
- advanced ectopic, (Wilson et al), 218
- and labor in presence of excessively large babies (Amorin et al), 906 (Abst.)
- and multiple sclerosis (Douglass and Jorgensen), 332
- and puerperium, blood platelet studies during (Ward and MacArthur), 600
- anemias of (Talso and Dieckmann), 511
- blood volume in (McLennan and Thouin), 189
- capillary fragility in (Gianaroli), 547 (Abst.)
- cardiac patients during, experience with (Aviles), 1080 (Abst.)
- contralateral tubal, congenital absence of one ovary associated with (Kurcz and Sharp), 1065
- ectopic, advanced (Wilson et al), 218
- extrauterine, late, observations on thirteen cases of (Ware), 561
- following an interilio-abdominal amputation (Wilcox), 1068
- tubal sterilization (Dieckmann and Hauser), 308
- hypertension and toxemia in, cold pressor test in prediction of (Krieger and Weiden), 909 (Abst.)
- death occurring in fifty-four patients with (Ross et al), 591
- hyperthyroidism in (Mussey et al), 609
- treated with thiouracil (Strouse and Drabkin), 1083 (Abst.)
- lesions of cervix uteri during, clinical and histopathologic study of (Fluhmann), 133
- leucemia and (Williams), 967
- liver in, biopsy studies on (Ingerslev and Teilum), 728, 1079 (Absts.)
- ophthalmoscopy study of eyeground in (Belvederi and Morano), 547 (Abst.)
- ovarian (Weaver et al), 437
- papilloma of cervix uteri in (Suran and Meister), 342
- plasma pitocinase determination in toxemias of, evaluation of (Aragon), 961
- proteins in (MacArthur), 382
- poliomyelitis in (Gifford and Hullinghorst), 1030

Pregnancy—Cont'd

- splenectomy in, hematologic indications and obstetric management (Barnes and Doan), 864
- toxemia of, hemorrhage following (Brouse), 910 (Abst.)
- heparin in treatment of (Maeck and Zilliacus), 326
- late (Smith and Smith), 909 (Abst.)
- nine-year follow-up in cases of (Light), 321
- plasma pitocinase determination in, evaluation of (Aragon), 961
- urinary tract in, influences of posture on (Parks and Puzak), 636
- vaginal trichomonads and various species of yeast in, incidence and occurrence of symptoms of, study of (Johnson and Mayne), 852
- vitamin A and carotene supplements of, during; effect on mother and newborn (Lewis et al), 1080 (Abst.)
- Premature baby (Crosse), 900 (B. rev.)
- delivery, baby as a problem in (Philpott and Tweedie), 481
- Presidential address, American Association of Obstetricians, Gynecologists, and Abdominal Surgeons, fifty-eighth annual meeting (Campbell), 551
- Progesterone, pellets of, implantation of (de Santiago), 725 (Abst.)
- Prolapse of cervical stump with associated enterocele, modified method of surgical repair (Rose), 346
- Pruritus, vaginal and rectal, etiology and treatment (Cornell), 691
- Psychiatry, modern attitudes in, 903 (B. rev.)
- Psychology, feminine (Obregon de Maria), 358 (B. rev.)
- Psychoneurogenic causes of sterility and their treatment (Rommer), 1082 (Abst.)
- Puerperal mastitis, acute (Hesseltine et al), 778
- staphylococcus aureus hemolyticus, and infections of newborn (Pyle), 676
- Puerperium, 908 (Absts.)
- blood platelet studies during (Ward and MacArthur), 600
- early parotitis complicating (Greenberg), 340
- Pulmonary embolism from amniotic fluid (Mendelson), 911 (Cor.)

R

- Radium within uterus in treatment of endometrial cancer, use of multiple sources of (Arneson et al), 64
- Rectal hemorrhage following irradiation for carcinoma of cervix (Johnston and Jacox), 891
- Reproductive organs of suckling rats, influence of maternal hormones on (Price), 181 (Abst.)
- Retrodisplaced gravid uterus (Fouracre-Barns), 1080 (Abst.)
- Retroversion of uterus (Brackett), 184 (Cor.)
- Rh hapten, treatment of erythroblastosis fetalis with (Loughrey and Carter), 1051
- relation of, to congenital hemolytic disease and to intragroup transfusion reaction (Potter), 899 (B. rev.)
- two popular fallacies regarding (Hattersley), 907 (Abst.)
- Roster of American obstetrical and gynecological societies, 187, 730
- Rupture of membranes, premature, use of penicillin in (Woltz and Stashak), 859

S

- Saccharomyces in vaginal cycle (Cazzola and Mosconi), 1076 (Abst.)
- Salpingitis, tuberculous, hysterosalpingograms in, characteristics in (Sun), 953
- Salpingostomy, operative technique for, an improved (Johnston), 426
- Semmelmweis, Ignaz Philipp (Findley), 700

- Sincipital encephalocele, congenital, and its treatment (Mustakallio), 546 (Abst.)
- Society of Obstetricians and Gynecologists of Canada, transactions of second annual meeting, 367
- Sodium, permeability of human placenta to, in normal and abnormal pregnancies and supply of, to human fetus as determined with radioactive sodium (Flexner et al), 469
- Spinal (saddle block) anesthesia in obstetrics (Andros et al), 806
- Splenectomy in pregnancy, hematologic indications and obstetric management (Barnes and Doan), 864
- Sterility, 1082 (Absts.)
- American Society for Study of, transactions of (1946), 353 (B. rev.)
- and infertility in female, review of present position of investigation (Murless), 1082 (Abst.)
- hyaluronidase in treatment of (Tafel et al), 1023
- in female (Grant), 416
- psychoneurogenic causes of, and their treatment (Rommer), 1082 (Abst.)
- Sterilization failure with external migration of ovum (Stein et al), 875
- tubal, pregnancy following (Dieckmann and Hauser), 308
- Sudoriferous gland tumor on labia (De Giorgi), 905 (Abst.)
- Sulfonamide therapeutic measure in postoperative care of cervix and vagina, a multiple (Marbach), 511
- therapy, prophylactic intraperitoneal, in obstetric surgery (Perez and Echevaria), 908 (Abst.)
- Supravaginal hysterectomy, carcinoma of stump after (Cantone), 543 (Abst.)
- Sutures, metallic, and early American gynecology (Rucker), 1
- Sympathectomy and high lymphadenectomy, in carcinoma of vulva (Robertson), 79
- Syphilis, verification tests for, in office practice (Becker), 910 (Abst.)
- Weltmann serum coagulation reaction in (Callaway), 910 (Abst.)

T

- Thiouracil, hyperthyroidism in pregnancy treated with (Strouse and Drabkin), 1083 (Abst.)
- Torsion of pregnant uterus with rupture (Sieglar and Silverstein), 1053
- Toxemia, 547, 909, 1081 (Absts.)
- hemorrhage following (Brouse), 910 (Abst.)
- of pregnancy, cold pressor test in prediction of (Krieger and Weiden), 909 (Abst.)
- heparin in treatment of (Maeck and Zilliacus), 326
- late, (Smith and Smith), 909 (Abst.)
- nine-year follow-up in cases of (Light), 321
- plasma pitocinase determination in, evaluation of (Aragon), 961
- Trichomonas vaginalis and trichomoniasis (Trussell), 897 (B. rev.)
- Trophoblastic cell proliferation, benign (Tedeschi and Matarese), 758
- Tubal patency, phenolsulfonphthalein as test for determination of (Speck), 1048
- pregnancy, contralateral, congenital absence of one ovary associated with (Kurcz and Sharp), 1065
- sterilization, pregnancy following (Dieckmann and Hauser), 308
- Tuberculosis of cervix (Casabona), 725 (Abst.)
- Tumor, grafted granulosa-cell, hypervolemia secondary to (Furth and Sobel), 543 (Abst.)
- malignant granulosa-cell, in an intrasplenic ovarian graft in a castrated male mouse (Li), 316
- mesodermal mixed, of vagina, report of case (Murphy and DuShane), 527
- ovarian, malignant (Montgomery), 201

- Tumor—Cont'd
 sudoriferous gland, on labia (De Giorgi), 905 (Abst.)
 Tumors, pelvic, associated with ascites and hydrothorax (Calmenson et al), 905 (Abst.)

U

- Urinary tract in pregnancy, influences of posture on (Parks and Puzak), 636
 Urology, female, gynecology with a section on (Wharton), 352 (B. rev.)
 Uterine atony, postpartum, spinal anesthesia as therapy in (Hansen), 906 (Abst.)
 bleeding, abnormal, arrest of, with pitresin tannate in oil (Benson), 286
 endocrine factors and, during climacteric (Ingiulla), 1076 (Abst.)
 cancer, diagnosis of, vaginal smear method, evaluation of (Scheffey et al), 453
 suspension (Vogt et al), 1044
 Uterus, cancer of, diagnosis of, by use of vaginal smears, handbook for (Gates et al), 351 (B. rev.)
 intraabdominal separation of, postpartum (Wassenaar), 908 (Abst.)
 nonmalignant conditions of, vaginal hysterectomy for (da Silva Loureiro), 905 (Abst.)
 pregnant, torsion of, with rupture (Siegler and Silverstein), 1053
 radium within, in treatment of endometrial cancer, use of multiple sources of (Arneson et al), 64
 retrodisplaced gravid (Fouracre-Barns), 1080 (Abst.)
 retroversion of (Brackett), 184 (Cor.)

V

- Vagina, artificial, use of ovular membranes in creation of (Brindeau et al), 544 (Abst.)
 mesodermal mixed tumor of, report of case (Murphy and DuShane), 527

- Vagina—Cont'd
 postoperative care of, a multiple sulfonamide therapeutic measure in (Marbach), 511
 Vaginal absorption of penicillin, observations on (Abel et al), 461
 and rectal pruritus, etiology and treatment (Cornell), 691
 cycle, saccharomyces in (Cazzola and Mosconi), 1076 (Abst.)
 hysterectomy combined with vaginal repair (Harrison), 403
 for nonmalignant conditions of uterus (da Silva Loureiro), 905 (Abst.)
 report of experiences with (Stearns), 726 (Abst.)
 repair combined with vaginal hysterectomy (Harrison), 403
 smear in genital crisis of female infants (Tortora), 727 (Abst.)
 method for diagnosis of uterine cancer, evaluation of (Scheffey et al), 453
 use of, in gynecologic practice (Mackenzie et al), 821
 suppositories, penicillin, and prevention of postpartum morbidity (Pierce), 313
 trichomonads and various species of yeast in pregnancy, incidence and occurrence of symptoms of, study of (Johnson and Mayne), 852
 Venereal disease, 729, 910 (Absts.)
 Vesicovaginal fistulas, incurable, treatment of (de Aquino Salles and Conri), 905 (Abst.)
 Vitamin A intake, maternal, and ocular abnormalities in offspring, 546 (Abst.)
 Vulva, angioma of (Alfieri), 904 (Abst.)
 carcinoma of, high lymphadenectomy and sympathectomy in (Robertson), 79
 reactions of, to systemic diseases (Parks and Martin), 117

W

- Weltmann serum coagulation reaction in syphilis (Callaway), 910 (Abst.)
